

International Society for Tropical Ecology

Important Notice

On the basis of the recommendations of the General Body meeting of the International Society for Tropical Ecology (ISTE) held in New Delhi at JNU in Dec 2014, following changes will be effective from 1 January 2016.

1. Revised annual membership subscription for the ISTE is Rs. 1000 for resident in India and SAARC countries, US \$ 38 for residents in other developing countries, and US \$ 75 for residents in developed countries. New members pay an admission fee of Rs. 100 or US \$ 6, as applicable.
2. Revised Institutional annual subscription price for the Journal is Rs. 9000.
3. To publish a research article in the ISTE journal *Tropical Ecology*, first or corresponding author of an accepted paper should be a member of the Society. Non-member first or corresponding author can send membership to the Treasurer and state membership status in the covering letter.
4. With effect from Vol. 57 (1), year 2016 onwards, print version of the journal will not be sent to the annual and life members.
5. In the near future, the open access articles of the journal will be available only to members of the ISTE through a secure gateway.
6. Any member of the ISTE desirous of obtaining a PDF of the current membership list of the Society may please send an e-mail request to the Treasurer of the Society (sagarbhu@gmail.com).
